Ridge Rd., Dresden, Oh 43821

Country Crossroads Education of Yesterday

Bring your family and friends to **DISCOVER** Country Crossroads .

SEE and LEARN things you don't see at most other shows. You will be glad you did! We feature all types of Working Antique Farm Equipment & Construction Equipment. Plus large displays of Tractors, Trucks, Fire Trucks, Cars and Equipment!
Something for everyone!

EVENTS: (Some weather permitting) Shelling corn using a belt-driven Sheller and a silo-filler demonstration making feed for cattle will be two of the old-fashioned methods offered. Another will be making miniature round bales of hay using the first round baler ever made. Also square hay baling with stationary and pull type balers. Picking corn with two-row corn picker or pull type picker operating in the fields. Chopping corn with old ensilage cutter-blower. Will be harvesting soybeans if they're ready with an old AC pull type combine. A cord saw will be used to make firewood and show kids how old wood burner stoves worked. Large sawmill running. Tractor's plowing – disking. Display of Hit & Miss Gas Engines and large engines. Construction equipment such as Dozers, excavators, track hoes, old shovel loaders, road graders pull type and Motorized, Dump trucks & backhoes will be working & moving lots of dirt around. Blacksmith will also be here.

Kids games and activities! Petting zoo. Train Rides Large and small!

Please note the Train rides cost \$1.00 each.

Tractor wagon rides around the mill and to different events.

Captain Bryant's Grist Mill has lots of antique's and machinery to look at! Large Farm Toy Display on 2nd floor. Displays of antique tools, machinery and such.
